## Tivoli Bowl Has A Fresh New Website

**Downers Grove, IL – Tivoli Bowl**, located at **938 Warren Avenue in downtown Downers Grove**, is excited to announce the launch of their new [website](#), and they have Tivoli Bowl employee Samantha Majewski to thank! Majewski, who has been with the Bowl for three years, has always had a keen interest in web design. She decided to revamp the Tivoli Bowl website in an effort to put her passion and talent for web design to good use.

"I decided it was time the website needed a facelift," says Majewski. "I presented my ideas to Chuck [Danbrauskas], the Bowl's General Manager, and he was all for it!" The new website is user-friendly, replete with vivid colors and up-to-date special promotions. Check out the redesigned website at [www.tivolibowl.com](http://www.tivolibowl.com), and learn more about bowling leagues, private parties, and their newly renovated underground lounge. Majewski also created the Tivoli Bowl [Facebook](#) page, where you can find even more deals and upcoming events! "We hope you enjoy our new online presence and much as we do!" says Majewski.

Majewski is the league secretary at Tivoli Bowl and currently resides in Westmont, IL. She plans to continue her studies in web design at DeVry University.
